If you do not agree with the description or time of the accident given on this form, you should make a written report of injury to the employer within thirty (30) days of the injury.

To be sure you have filed a claim, complete a Form 18, Notice of Accident, within two years of the date of the injury and send a copy to the Industrial Commission and to your employer. The employer is required by law to file this Form 19, but the filing of the Form 19 does not satisfy the employee's obligation to file a claim.
